### Bid approved for building study

Crawford County officials moved forward with plans to bring a regional Michigan State University (MSU) Extension office to the community.

The Crawford County Board agreed to hire Bradley Butcher and Associates of Gaylord to generate building and renovation estimates to bring the ground floor of the former Grayling Fish Hatchery up to snuff to house the MSU Extension office.

The regional office would allow Michigan State University Extension to do product research, agriculture research, statewide and multi-state research. The building could also house a conference center.

The board has previously authorized Butcher and Associates to develop cost estimates to renovate the upper half of the fish hatchery to house the District Health Department #10 offices.

Shelley Pinkelman, vice chairwoman of the Crawford County Board of Commissioners, has been recruiting MSU officials hard to bring the regional office to Grayling. She said the building plans would only need to include the cost to add a ceiling, flooring, walls and American with Disabilities Act compliant bathrooms and a mechanical room in the building. 2A

### Wrestling team defeats Mio, Kalkaska

Grayling High School's varsity wrestling team defeated both of its opponents - Mio, in a non-conference rematch, and Kalkaska, a Lake Michigan Conference squad - in a three-team meet last Wednesday.

The two visiting teams - the Mio Thunderbolts and the Kalkaska Blazers - wrestled first. Mio won 53-24.

In the second match of the evening, Grayling defeated Kalkaska 69-12, posting a 7-2 record in contested bouts.

The win improved Grayling's league record to 5-0.

Grayling then wrestled against Mio for the third time this season. The teams split the previous two meetings, with Grayling winning on Dec. 2 in a meet at Pinconning and Mio defeating GHS in the Alpena Invitational tournament's championship match. 9A

### Clear sidewalks would be helpful

To the editor:

I thought we had a city ordinance to keep our sidewalks cleaned off. During the winter months, no one can walk anywhere in town because of the snow. If people kept their sidewalks cleaned off, people that do not have transportation could walk in town, and this would be helpful to those in need. 4A

A 20-year-old Grayling man faces felony charges for allegedly falling asleep at the wheel and driving into an optometrist office on Saturday.

Grayling City Police Chief Doug Baum said that officers were dispatched to a property damage accident, which occurred at AuSable Eye Care located at 904 East Michigan Ave., at 5:58 on Saturday, Jan. 9.

Baum said a car was traveling south on Michigan Avenue when it jumped the curve, plowed through a snow bank and careened into the building.

The driver of the car was able to dislodge the vehicle and flee the scene.

Crawford County Sheriff's Deputies were called to the scene to gather evidence and sift

through debris. An office chair from the AuSable Eye Care, which became attached to the car after the crash, was located on Alexia Lane just off of North Down River Road.

Investigation led to the location of the vehicle and the driver on South Wakeley Bridge Road early Sunday, Baum said. A 28-year-old man who lives on South Wakeley Bridge Road was a passenger in the car when the crash occurred.

Baum said that people who witnessed the crash were very crucial in helping locate the driver and the vehicle.

"They had a decent description of the vehicle so that really helped out a lot," Baum said.

The driver was taken into custody and charged with failure to report an accident, driving while license suspected-third offense

and reckless driving. His name is not being released by authorities because he bonded out of the Crawford County Jail and will not be arraigned until Wednesday, Jan. 20.

Baum said he was thankful that AuSable Eye Care was closed for the weekend and there were no children from the Grayling Elementary School and AuSable Primary School walking home from after-school activities.

"Given the photos I've seen of interior of the building and the damage, it was very fortunate because it could have been very deadly," Baum said.

Dr. William Dean, who co-owns AuSable Eye Care with Dr. Rob Aubry, said initial estimates of damage from insurance adjusters are \$50,000.

## Board hires planners

Bid approved for design of county sports complex

by Dan Sanderson  
Staff Writer

The Crawford County Board of Commissioners opted to keep their business local rather than accepting the low bid for future planning of sports fields.

The Crawford County Board approved a bid from the Rowe Professional Services Company to develop a master plan, conceptual design plan and landscaping plan for the Crawford County Sports Complex. The Sports Complex is located on former Crawford County Fairgrounds. The area features fields used by the Grayling Redskins Football league, the Grayling Little League's McIsaac Field and fields that will be used by the Crawford AuSable Soccer Association this fall.

Rowe Professional Services, which has an office in Grayling, did the survey work on the Sports Complex property.

The contract to complete the planning and design work is for \$8,500. The work will entail planning to relocate existing Grayling Little League fields from North Down River Road and creating trails on the property.

Northwest Design Group of Petoskey submitted a lower bid of \$6,820 for the work. Northwest Design Group based their estimate on labor fees and materials used. Gosling Czubak Engineering Services from Traverse City was the high bidder for the project.

Northwest Design Group previously did engineering for the entrance into the Crawford County Sports Complex and the AuSable Valley Animal Shelter, which resulted in the county paying more than the original contract. Currently, the county and Northwest Design Group officials are negotiating engineering fees owed to the firm for the addition and renovation project for the Crawford County Courthouse. Unforeseen issues with the project and requests to use alternative materials by the building contractor has resulted in engineering fees exceeding the initial estimates.

The motion to hire Rowe Professional Services passed by a 4-to-1 vote by the county board. Commissioners Terry Beardslee and Scott Hanson were not at the meeting.

## Christian Help Center marks another busy year

by Dan Sanderson  
Staff Writer

The Crawford County Community Christian Help Center had another busy year helping needy families in 2009.

There was a steady increase in families needing help putting food on the table and in the bellies of their children, said Mariann Gosnell, director of the Crawford County Community Christian Help Center.

In January 91 families sought help with food. Beginning in March, that number never went below 100 families. It peaked in November, when 193 families sought food help.

The annual Crawford County Community Christian Help Center Christmas Project also marked another successful year, Gosnell said.

Beginning in early November, families started signing up for the Christmas program. Upon sign up, they received a day and time for an appointment. At their appointment, parents picked out socks, hats, scarves and mittens for their children. Then, they continued to the next room, where they received a gift certificate for a Christmas dinner, toys, books and other goodies for their children.

Crawford County officials moved forward with plans to bring a regional Michigan State University (MSU) Extension office to the community.

The Crawford County Board agreed to hire Bradley Butcher and Associates of Gaylord to generate building and renovation estimates to bring the ground floor of the former Grayling Fish Hatchery up to snuff to house the MSU Extension office.

The regional office would allow Michigan State University Extension to do product research, agriculture research,

statewide and multi-state research. The building could also house a conference center.

The board has previously authorized Butcher and Associates to develop cost estimates to renovate the upper half of the fish hatchery to house the District Health Department #10 offices.

Shelley Pinkelman, vice chairwoman of the Crawford County Board of Commissioners, has been recruiting MSU officials hard to bring the regional office to Grayling. She said the building plans would only need to include the cost to add a ceiling, flooring, walls and American with Disabilities Act com-

pliant bathrooms and a mechanical room in the building. Pinkelman said MSU would apply for technology grants to complete the rest of the upgrades for the building.

"If this board is fully in support of MSU and we're going through with this for this building, we have their commitment," Pinkelman said.

Pinkelman said a board that will be considering restructuring MSU services in the region and focusing on 21st Century green initiatives to help Michigan move forward will be forming in February or March. County officials hope to have the building plans in hand so

MSU can make a decision on the regional office.

The building cost estimates could be used to attract another agency to the building if plans to draw the MSU Extension falls through, said Crawford County Commissioner Mike Lange.

"This is pretty generic proposal, so this would give up a leg up to least have an idea of what it's going to take to finish up that first floor," Lange said.

In August 2009, Crawford County voters turned down a plan to relocate the Grayling Senior Center to the fish hatchery building by a 716 no to 629 yes vote.

## Compensation board disbanded

by Dan Sanderson  
Staff Writer

Following through with plans to set salaries of elected officials, the Crawford County Board of Commissioners voted to disband its compensation commission.

Last week, the county board voted to do away with its compensation commission, which met once every two years to make recommendations on salaries for all non-judicial county elected officials.

Shelley Pinkelman, vice chairwoman for the Crawford County Board of Commissioners, noted that

the compensation commission was formed 10 years ago to avoid the conflict of the county board setting their own salaries to serve the community. In addition, county commissioners cut their pay in half at the time in order to hire County Administrator Paul Compo.

"We were giving that up to the citizens to make those recommendations," said Pinkelman, regarding the appointment of the compensation commission.

The salaries recommended by compensation commission became an issue last year when county officials were developing the

budget for the 2009-2010 fiscal year. The pay hikes for elected officials were higher than those proposed to be given to union and non-union employees as the economy has continued to spiral downward.

"That's where the disparity came in, at least with me, trying to keep everybody on the same level and playing field," said Dave Stephenson, chairman of the Crawford County Board of Commissioners.

Crawford County Commissioner Mike Lange noted that Crawford County was one of the few counties in the state, which had a

compensation commission. He added that if constituents have a conflict with a pay increase given to an elected official, they would have their say at the voting polls when they select county commissioners every two years.

"There were reasons for it to happen then as there are reasons for it not to have it happen now," Lange said of the lag time between the salary recommendations made by the compensation commission and pay increases given annually to other county workers and the varying state of the economy.

Community Christian Help Center Christmas Project provided Christmas dinner certificates to 341 Crawford County families in need and Toys for Tots provided toys to 774 infant through high school age Crawford County children in need," Gosnell said.

Gosnell noted that several food drives were held throughout 2009 and because of those initiatives,

plus many individual donations brought in, the food pantry continues to have an ample food supply. Monetary donations have also allowed the purchase of food and nonfood items.

"Without the food drives, individual donations and monetary donations, we would not be able to complete our mission - to provide food to Crawford County people in need," said Gosnell, adding that for

ever \$1 donated, \$14 in food can be purchased through the Flint based Food Bank of Eastern Michigan.

Finally, Gosnell highlighted the fact that February is the month for the Crawford County Community Christian Help Center's annual paper product and personal hygiene product drive. Items can be dropped off between 11 a.m. to 3 p.m. on Monday, Wednesday and Friday at

the Crawford County Community Christian Help Center, located at 300 Huron St. in Grayling.

## Board hires planners for county sports complex design

Dave Stephenson, chairman of the Crawford County Board of Commissioners, cast the sole no vote. The county's purchasing policy allows contracts or equipment to be purchased from a local company or vendor if the bid is within five percent of the low bid.

In the case for Sports Complex planning, Rowe Professional Services would not have been typically eligible for the contract.

## Man drives into eye care office

Dean said that J.T. Cochrane Construction was called to the scene Saturday to help board up and secure the building. Friends worked feverishly Saturday and Sunday to clean up the debris and the office was open to see patients on Monday.

"It's was nice that we had the weekend to get cleaned up," Dean said.

Dean added that if the crash occurred during business hours, cars of patients' may have blocked the vehicle from striking the office building, but was fortunate they were closed to avoid the potential loss of lives.

"If it would have been during business hours, it could have been bad news," Dean said.

"You have a right to accept or reject any and all bids," said Crawford County Administrator Paul Compo.

County board members, however, felt it was more attractive to approve a lump sum bid for the work rather than jeopardizing paying

more engineering and planning fees in the future.

"I'm more comfortable with a locked in price than I am with somebody telling me we might have to pay more somewhere down the road," County Commissioner Rick Anderson said.

## Almanack

### Cherry's exit draws attention to campaign

FOR ALL THOSE candidates running for governor in this year's November election here in Michigan, Lt. Gov. John Cherry's sudden departure from the Democratic primary field was a bonus.

For everyone except Mr. Cherry, of course ... although with the dire economic condition of the nation, and the durable financial crises of state government, maybe he shows foresight and wisdom.

The various candidates and their campaigns have existed so far in a detached backwater familiar only to party insiders and political buffs, while gasping for the sweet breath of more widespread public interest.

Now many more Michigan voters are familiar with names such as Alma Wheeler Smith and Rick Snyder, for example. News stories about them and their candidacies actually have appeared in some newspapers.

Most of the ink, however, has been gobbled by the overpowering question of who will jump into the Democratic race now that Lt. Gov. Cherry has bowed out.

AFTER 20 YEARS in the state legislature and eight more as second in command of state govern-

ment, John Cherry was not only the most experienced candidate to run for governor in a long time, but also the front runner for the Democratic nomination since anyone started thinking about who would succeed term-limited Gov. Jennifer Granholm.

Right from the start, Mr. Cherry had the backing of heavy hitters within the Michigan Democratic family, including the MEA, AFL-CIO, UAW and other unions; after all, he had been carrying their water for a quarter century around the state capital.

Other possible big name Democratic possibilities shied away from challenging the favorite son. Only State Rep. Alma Wheeler Smith, former Rep. John Freeman and former MSU football Coach George Perles were openly in the running.

The reason Mr. Cherry cited for getting out of the race was that he could not raise enough money. What still puzzles me is that with his head start, his ties to party machinery and big unions, why couldn't he raise campaign money? Obviously, something else was awry in the Cherry candidacy.

But the past is prologue. Who's going to run now, and with the primaries only seven months away?

More important, perhaps, is who can raise the cash needed for a successful campaign? And even more important yet, who can win in November?

ELECTIONS OFTEN turn on pocketbook issues, and Michigan probably won't be much better off economically in November than it is in January, which likely means that Republican candidates will do pretty well in most elections this year.

Early polling showed John Cherry trailing three or four Republican candidates, which probably answers my question of why he couldn't raise money. Donors like to put their money on winners, not losers.

It's also probably why the White House showed interest in the Michigan race and reportedly encouraged other potential candidates instead of Mr. Cherry. Party support at the polls could be important to the Obama agenda in Congress.

So other potential candidates are emerging, with House Speaker Andy Dillon the most prominent. Lansing Mayor Virgil Bernero is another, and several lesser known faces are appearing. The "Great Mentioner" also is active again,

dropping names here and there.

All this attention, of course, gives the Republican side renewed energy, and as time for decision nears, Atty. Gen. Mike Cox, Sheriff Mike Bouchard, US Rep. Pete Hoekstra, self-described "non politician" Rick Snyder and State Sen. Tom George all ratchet up their efforts.

It's very possible that whoever wins the Republican nomination in August will be Michigan's next governor.

JOHN CHERRY probably would not have been elected governor anyway. History is against it. Michigan lieutenant governors are hardly ever elected governor in their own right, although several have tried.

During the last 100 years, only three Michigan lieutenant governors have become governor.

Gov. Luren Dickinson was lieutenant governor three different times before succeeding to the governor's office for a bit more than a year when Gov. Frank Fitzgerald died in office in 1939. Mr. Dickinson never ran for governor.

Gov. Bill Milliken as lieutenant governor took the governor's chair in 1969 when Gov. George

Romney resigned, and then was elected several times.

The only person during the 20th century who went from lieutenant governor to election as governor was Gov. John B. Swainson, elected in 1960. He served a single term before losing to Gov. George Romney in 1962.

In Michigan, history tells us, if you want to become governor, skip the lieutenant governor's office. It's usually a political dead end, unless your governor resigns or dies.

Aside to Mike Cox: History treats attorneys general almost as bad. In the last 100 years, only three candidates have moved from the attorney general's office to the governor's suite: Alexander J. Groesbeck in 1920, Wilbur Brucker in 1930, and Jennifer Granholm in 2002.

Final note: Secretaries of state fared about the same during the 20th century, with three elected as governor: Fred Warner in 1904, Frank Fitzgerald in 1934 and again in 1938, and Harry F. Kelley in 1942.

Richard Milliman is a veteran newspaperman, and a contributing columnist to several Michigan newspapers.

### Dogs are no longer welcome at Camp Grayling

To the editor:

Today I made the short trip to Camp Grayling to visit the PX. Sometimes my dog goes along for the ride, as he did today.

When I stopped at the guard shack at the main entrance to present my ID, the guard informed me that I couldn't take my dog on post anymore, but couldn't tell me why. He told me the new rule started in December. Disappointed, I turned around and went home.

I can live with this new rule, but I wonder why it's in place. Was there an inci-

dent involving a dog and someone at Camp Grayling, or is this a new rule for all military installations? I have never encountered such a restriction at any military installation I temporarily called home or visited.

Many military members and retirees call their dogs their "best friends" and frequently take them along for a ride, sometimes to Camp Grayling. Some come from a much farther distance than just across town.

Many military families come for a week or two visit and use the family campground at Camp Grayling

while a member of their family is there for training. They bring their dogs because they are members of the family. Will they be turned away at the gate? This is not a very family friendly rule and certainly can't be a morale booster.

So, let this letter serve to inform all of you who travel from out of town to Camp Grayling, for whatever business, that your dog is no longer welcome on post, even with its license and rabies tag.

### I would pay for common sense

To the editor:

Someday I hope that "the City" has the integrity to fix our antiquated sewer system, which should have been done before they had the new sidewalks put in all over the residential areas of

town in 1994.

There is always some situation going on that's our problem.

Albeit our responsibility to pay for it. Our high taxes and high water bills should accommodate for some-

thing.

I would be willing to pay for some common sense for a change!

### Clear sidewalks would be helpful

To the editor:

I thought we had a city ordinance to keep our sidewalks cleaned off. During the winter months, no one

can walk anywhere in town because of the snow.

If people kept their sidewalks cleaned off, people that do not have transporta-

tion could walk in town, and this would be helpful to those in need.

### Light not needed any more

To the editor:

Like the man said last week in the Avalanche: "If it ain't broke, don't fix it." He was referring to that miserable red blinking traffic light at Michigan and Maple. It was installed because it was on the detour route while major construction work was being done on the main route through town. It's not needed any more.

As for those that say it should stay for the safety of school children crossing at the intersection, I sincerely believe that school crossing safety guards are a better safety measure than a traffic light be it blinking red or

the customary red, yellow and green.

As for another stop light through town on James Street, near the bridge, where the lanes go from four to two, I personally think that idea is just as stupid as making four lanes go to two.

They gave us a left turn lane without a left turn arrow. Now, if you want to turn left onto Michigan from James St., in either direction, if the traffic is heavy, only one car per light can complete the turn.

Progress?

## Snowmobile Fun Run to raise funds for animal shelter

The 6th Annual Snowmobile Fun Run to benefit the AuSable Valley Animal Shelter will be held Saturday, Jan. 30 and everyone is invited to enjoy a day on the trails while helping the shelter's homeless dogs and cats.

Each year, AuSable Valley Animal Shelter cares for hundreds of homeless dogs and cats, puppies and kittens. Its policy is to make every effort to place these wonderful companions in permanent, loving, and responsible homes. The shelter has an aggressive spay/neuter program to prevent unwanted litters of puppies and kittens which has resulted in no longer needing to use euthanasia as a means of shelter population control.

The cost of keeping the animals warm, fed, vaccinated and altered has increased. Over 85% of the shelter's funding comes from fundraising efforts, donations and adoption fees, that's why the Snowmobile Fun Run is so important.

Entry is a \$25 donation which includes lunch, dinner, a commemorative t-shirt and many chances to win prizes.

Registration begins at 11 a.m. at The Keg, on Old US 27, Waters. Lunch will be provided at the time of check-in.

From The Keg, participants will take a leisurely ride visiting all sponsors and ending back at The Ole Barn in Grayling for dinner, dancing and prize drawings. If there is inclement weather, participants will ride by car. Those wishing to participate by car are also wel-

come. Pre-registration by mail is highly encouraged to allow organizers to plan meals. Pre-register by completing a form available at any sponsor location (or the one provided in the Crawford County Avalanche) and mailing along with check or money order in the appropriate amount to: AuSable Valley Animal Shelter, P.O. Box 384, Grayling, MI 49738-0384.

Registration forms are also available at participating sponsors, the shelter and the Crawford County Avalanche, or by logging on to [www.ausablevalleyanimalshelter.org](http://www.ausablevalleyanimalshelter.org) and visiting the "Events" page where just a click will open up an entry form for download and printing.

Any questions regarding the 6th Annual Snowmobile Fun Run should be directed to Mary Becker at (586) 242-1179, or via email at [marybecker@yahoo.com](mailto:marybecker@yahoo.com).

Anyone wishing to donate a prize for the event is asked to contact Cheryl Ruley at (989) 619-0473 or by email to [mcruley@i2k.com](mailto:mcruley@i2k.com) to arrange pick up of the item.

The AuSable Valley Animal Shelter is a 501(c)3 nonprofit organization and all donations to this event are tax-deductible.

**MORE WINTER PAINT TIPS:**  
• **CHOOSE A GOOD COLOR:** Some colors take longer to dry than others. The problem is that latex paints form a film through a process that requires that the water in the paint evaporates before a water soluble solvent in the paint dries. The color, temperatures, the high relative humidity (due to painting), and the amount of glycerine in the paint all affect its drying time.  
• **WATCH THE FUMES:** If you are unable to open the windows then you may not like the fumes from the paint.  
• **HAVE AN ELECTRIC HEATER, FAN, AND POSSIBLY A DEHUMIDIFIER RUNNING** WHILE THE PAINT IS DRYING TO WARM THE AIR, PAINT AND WALLS.

**WINTER PAINT TIPS:**  
• **READ THE BACK OF THE CAN:** There are always directions and suggestions on when to apply, how to apply, how much to apply, how to clean up, etc.  
• **WATCH THE TEMPERATURE:** Inside on walls, and outside - interior temps are a bit different. Does the house have power? How cold does it get inside if you don't have power? Are the walls well insulated? The exterior walls of your house can be cooler than interior walls. You may notice lines on exterior walls where the studs are where the wall is coldest, and where the paint takes longest to dry.

# The Bible Speaks

## Israel Rejected Moses' Testimony

The last two weeks we have studied Israel's rejection of the words of God written by David, their favorite King, in Psalm 19. Paul in Romans 10:18 repeated a truth the Jews had heard before in Psalm 19:4. Next, Paul reminded Israel in Romans 10:19 that they had been warned by God's words penned by Moses. "19But I say, Did not Israel know? First Moses saith, I will provoke you to jealousy by them that are no people, and by a foolish nation I will anger you." This truth had been prophesied centuries earlier by Moses and the Jews had already heard and rejected Deuteronomy 32:21: "21They have moved me to jealousy with that which is not God; they have provoked me to anger with their vanities; and I will move them to jealousy with those which are not a people; I will provoke them to anger with a foolish nation."

Israel knew their God was a jealous God who would punish them if they hated Him by worshipping other gods. "9Thou shalt not bow down thyself unto them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of

them that hate me." (Deut. 5:9). The Jews also knew this from the first commandment God gave Moses in Exodus 20:3: "3Thou shalt have no other gods before me. This truth was repeated in Exodus 34:14: "14For thou shalt worship no other god: for the LORD, whose name is Jealous, is a jealous God."

By worshipping other gods, the Jews showed hatred toward their God in place of love. They were disobeying His greatest commandment given to Moses in Deuteronomy 6:5: "5And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might." Jesus reminded the Jews of this truth in Mark 12:29-31: "29And Jesus answered him, The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord: 30And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment. 31And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these."

Abraham said in Luke 16:29-31 that if the Jews would not hear Moses and the prophets, "...neither will they be persuaded,

though one rose from the dead." Jesus arose from the dead and preached of Himself from Moses and all the prophets in Luke 24:27: "27And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself."

The "no people" and "foolish nation" that Moses foretold would provoke the Jews to anger and jealousy is Christ's church. Peter spoke of this in 1 Peter 2:9,10: "9But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should show forth the praises of him who hath called you out of darkness into his marvelous light: 10Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy." Israel was temporarily dispersed while Christ called out His bride, the church, which is predominately gentile. God's warning for His church is clear, if God would not tolerate Israel's sin, neither will He tolerate our sin. Pastor "B"

## Fly fishing and river guides featured on Outdoor Channel

An episode featuring Grayling Fly Fishing insiders Andy Partlo and Dan Smith and old time river guides Jay Stephan and Jerry Reagan helped kick off the new season of the TV series

"Adventure Guides: Fishing Edition" last week on the Outdoor Channel.

The TV series airs in primetime at 11 p.m. every Friday; other airings include Thursdays at 10:30 a.m. and Saturdays at 11:30 a.m.. Video clips from the series are also available on Hook.tv, the world's premiere fly fishing video community.

"Hook.tv Adventure Guides: Fishing Edition," is hosted by John Dietsch, Brad Pitt's stunt double and supervisor for the fly fishing scenes in the film "A River Runs Through It."

The Adventure Guides TV series delves into the lives of some of the world's most charismatic and devoted fishing guides and outfitters offering a comprehensive, behind-the-scenes glimpse

into the world of professional fly fishing, including industry insiders like Partlo and Smith.

In the episode featuring the Grayling guides, they catch and release large brown trout that feed on huge two-inch Hexagenia insects that hatch at night during June. The show also captures how the tradition of the AuSable River boats has been handed down from old time guides like Jerry Reagan and Jay Stephan, whose grandparents were some of the original anglers who fly fished commercially for the Grayling species that are now extinct on the AuSable River. The episode also explores the lessons that have been learned from the loss of the species that gave the town its name. In addition to

Michigan, the episode also travels to New Zealand, where Kiwi guides there have their own tradition fly fishing for big brown trout.

"Fly-fishing for me is a religion and a way of life, and ever since my involvement in the film "A River Runs Through It," Dietsch said. "I have wanted to come up with another method of sharing my passion for fly fishing with the world. The TV series and the video community we have created is that method."

Dietsch says "Adventure Guides" compares and contrasts the ways that conventional and fly fishing guides live their lives in a passionate pursuit of the fish they love to catch and the fisheries they need to protect."

Clips from upcoming TV episodes of Adventure Guides: Fishing Edition are available on Hook.tv in a special area called "The Adventure Guides Channel" [http://www.hook.tv/flyfishing/channel/adventure\\_guide\\_s](http://www.hook.tv/flyfishing/channel/adventure_guide_s).

The 5th Alumni Hall of Fame Ceremony will take place at Grayling High School on Sunday, May 2, 2010. Nomination forms are available at every school and at Central Office. The nomination form is also available on the district website. The three criteria that the board will use to select the alumni are:

- Significant contribution toward improving the lives of others

If you know someone worthy of this honor, please take the time to fill out a nomination petition. The board will be making the selection by February, 4, 2010, and only twenty individuals will be honored this year. The inductees into the Alumni Hall of Fame will be displayed proudly in the main entrance at Grayling High School.

## Wrestling team defeats Mio, Kalkaska on Wednesday

### Vikings to host special daytime meet on Jan. 21

by Caleb Casey  
Senior Staff Writer

Grayling High School's varsity wrestling team defeated both of its opponents - Mio, in a non-conference rematch, and Kalkaska, a Lake Michigan Conference squad - in a three-team meet last Wednesday.

The two visiting teams - the Mio Thunderbolts and the Kalkaska Blazers - wrestled first. Mio won 53-24.

In the second match of the evening, Grayling defeated Kalkaska 69-12, posting a 7-2 record in contested bouts.

Joe Contreras (215) and Kyle Peters (heavyweight) pinned their Kalkaska counterparts in the first round. Jerry Bergey (103), Carey Brodak (112), and Cody Elmy (119) all won by default. Joe White (125) scored a pin in the second round.

Dan Duvall (135) won a 9-6 decision. Brandon Handrich (140) pinned his Kalkaska opponent in the first round. Tyler Sharp (152) won by pin in the first round. Josh Handrich (160)

and Derek Babbitt (171) won by default. Matt Townsend (189), in the final match, won by pin in the second round.

The win improved Grayling's league record to 5-0.

Grayling then wrestled against Mio for the third time this season. The teams split the previous two meetings, with Grayling winning on Dec. 2 in a meet at Pinconning and Mio defeating GHS in the Alpena Invitational tournament's championship match.

"We had a little score to settle with them tonight," Coach Joe Ferrigan said. "We had a couple guys back for us that we didn't have at Alpena. That made a big difference for us, being able to move some guys around."

The Mio vs. Grayling match started with the heavyweight division. Peters won for GHS, posting his second pin of the night. Mio won a 9-0 decision at 103 for four team points. Brodak (112) won an 8-6 decision. White (119) pinned his Mio counterpart in the third round. Elmy (119) won a 10-2 decision,

giving Grayling a 19-4 advantage.

Mio scored a pin in the 130-pound weight class. Duvall (135) won by pin in the second round. B. Handrich won by default. Both teams forfeited at 145.

Mio won at 152 and 160 - both by pin - to pull within nine, 31-22.

Townsend (171) and Contreras (189) won by default. Both teams forfeited the final weight class (215) and Grayling won 43-22.

Wednesday night's meet was Grayling's second (of three) regular season home contests slated for this year. The third - set for Thursday, Jan. 21 - will feature a slightly different environment. The meet - vs. Traverse City St. Francis and Charlevoix, both of which are LMC teams - will start at 1:30 p.m. and the audience will include the GHS student body.

Two years ago, St. Francis and Charlevoix wrestled at Charlevoix during the school's lunch hour, allowing students to view the match, said Tim Sanchez, Athletic Director for GHS.

## Second half surge leads Vikings past Bobcats, 90-72

### Grayling moves to 5-0 with overtime win on Friday

It was a close game in the first half, but the Grayling Vikings poured in 56 points in the second half and defeated the Houghton Lake Bobcats 90-72 on their home floor last Tuesday.

The Bobcats led 16-12 after the first quarter during Tuesday night's non-conference varsity boys basketball game. Grayling had a 34-31 advantage at halftime. The Vikings outscored Houghton Lake 56-41 in the second half - 30-16 in the third period - to win by 18 points.

Four Vikings scored in double figures. Colin Hamlin had 24 points, eight assists, seven rebounds, and four steals. Zane Tobin scored 24 points, hitting four of seven three-point attempts. Steven Enos had 14 points. Jake Helsel finished with 11 points and eight rebounds. Griffin Dean had five points and 10 rebounds. Jensen Aubry had six points, five rebounds, and four steals. James Schweizer, David Bergan, and Brent Steffey also scored points for GHS.

"We started out of the gates slow. We had 15

turnovers and struggled to get into an offensive flow. In the third quarter our kids played with a lot of intensity and we did a great job of moving the ball to the open man. Our defensive pressure was outstanding in the third quarter and our kids off the bench provided a ton of energy," Coach Rich Moffit said.

"Jake Helsel played his best game as a Viking. He attacked the offensive boards and was a huge difference maker at both ends of the court. Colin Hamlin did a great job of running our offense and providing leadership. Zane Tobin played his best offensive game of the year as he was efficient with his shot selection and did a nice job of moving without the ball. Riley Zigila and David Bergan provided a defensive presence in the second half with their hustle and effort. Jensen Aubry hit a key shot in the third quarter to provide a spark in our big run. Griffin Dean was big on the boards," Coach Moffit said.

In a league game played at Harbor Springs on Friday night, the Vikings won 76-

67 in overtime, improving their season record to 5-0.

"Our kids fought through a lot of adversity in the second half," Coach Moffit said. "Hopefully this will be a game that we can learn from."

"The score was tied 62-62 with 9.2 seconds left and Harbor Springs had the ball. David Bergan, Riley Zigila, Colin Hamlin, Griffin Dean, and Jensen Aubry played great defense and Harbor did not get a shot off. A key to our victory," Coach Moffit said. "Jake Helsel had a key basket in the fourth quarter off an offensive board. Ethan Lewis did a great job coming off the

bench, giving us some key rebounds in limited minutes. Griffin Dean and Jensen Aubry were huge on the boards, combining for 25 rebounds between them. Colin Hamlin did a great job of providing leadership and hitting some key free throws down the stretch. Steven Enos got it going in the second half offensively, scoring 30 points."

Enos finished with 37 points and seven rebounds. Hamlin had 22 points and eight assists. Dean had 14 rebounds and Aubry had 11 boards.

Grayling (5-0 overall, 2-0 league) will host Elk Rapids on Friday, Jan. 15.

## Houghton Lake wins by five

Houghton Lake won both games by five points. Grayling High School's varsity girls basketball team fell 40-35 vs. the Bobcats on Tuesday night, and Grayling's JV squad lost 29-24 on Monday. Both matches were played at Houghton Lake High School.

"We played like we came off a break. Very inconsistent all night. We were not aggressive enough in the first half and had too many unforced turnovers. The girls played hard in the second half. They played well in their man defense and forced a lot of turnovers, but we struggled all night shooting," Coach Craig Hofman said of Monday's JV game.

"It was a physical game and the girls struggled a bit with that physicality," Coach Hofman said.

"Hannah Haven had a very good all-around game

with 10 points and seven rebounds. Caitlin Prosser provided good interior defense and excellent offensive and defensive rebounding with 14 boards. Offensively her presence allowed a lot of the other girls to get good looks at the basket," Coach Hofman said.

Chloe Harwood, Alyssa Morley, and Jamie Denton also scored points for the Vikings.

On Tuesday, the two varsity teams were tied at halftime, 18-18. The Bobcats took a 24-23 lead into the fourth period. The Vikings trailed by as few as one and as many as seven during the fourth quarter, a period in which Houghton Lake outscored GHS 16-12.

Abbey Thomas posted a double-double for Grayling with 18 points, 13 rebounds, and three blocks. Ashley

Feldhauser had seven points and 12 rebounds. Jo Hamlin had six points and four rebounds. Teresa Schreiber three points, four steals, and six rebounds. Ann Hamlin had nine rebounds.

"It was exciting to see our center, Abbey Thomas, display her strength inside with 18 points and 13 rebounds. She has been working on

her shooting and it was nice to see her hard work pay off against Houghton Lake," Coach Kelly Sheehan said.

The varsity girls basketball team (2-4 overall, 0-1 league) will host Elk Rapids on Friday, Jan. 15, at 6 p.m. The JV squad (3-3 overall, 1-0 league) will play at Elk Rapids on Thursday, Jan. 14.

## Varsity team wins at Harbor Springs

Grayling High School's varsity girls basketball team won 34-29 in a league game

at Harbor Springs on Friday night.

"This was our best overall game of the season. Our defense won the game for us, holding Harbor Springs to only 29 points. We had 13 blocked shots. I was proud of our team's intensity," Coach Kelly Sheehan said.

Leading scorers for GHS included: Teresa Schreiber, 14 points, 5 steals; Jo Hamlin, 7 points, 4 rebounds; Abbey Thomas, 5 points, 7 rebounds, 5 blocks; Ann Hamlin, 4 points, 7 rebounds; Ashley

Feldhauser, 2 points, 4 rebounds, 6 blocks; Mackenzie Harwood, 2 points.

The GHS junior varsity girls basketball squad has followed its three-game winning streak with a current three-game losing streak, falling to the Harbor Springs Rams in a conference home game on Thursday.

"We ran into a solid JV team that showed its experience and ability against us. The girls played extremely hard and hung in there

against a team I knew was going to be tough. We had some excellent effort rebounding the ball by Caitlin Prosser and Madi Junttila. Myrissa Kuhn did a great job battling on the defensive end of the floor," Coach Craig Hofman said. "I was very happy with the effort all game."

Scorers for GHS included: Alyssa Morley, 11 points, 3 steals, 4 rebounds; Prosser, 4 points, 13 rebounds; Hannah Haven, 4 points, 5 rebounds, 2 steals; Chloe Harwood, 2 points.

## JV squad falls to Bobcats, Rams

The GHS junior varsity boys basketball team fell to the Houghton Lake Bobcats and the Harbor Springs Rams in two games - both of which were decided by three points or fewer - played last week.

On Monday, the Vikings lost 56-53 at Houghton Lake. "In the end we had three opportunities to tie the game within the last 16 seconds of the game but came up short," Coach Chris Kucharek said.

Thomas Burrell finished with 10 points and eight rebounds. Devon Dawson had nine points, eight rebounds, and four steals. Ryan Rochefort had eight points and Josh McBride scored seven points.

Two comeback attempts weren't quite enough as Grayling fell to Harbor Springs 70-68 in a home game on Thursday night.

The Rams led 19-8 after one quarter. The Vikings got back into the game with a 9-0 run to start the second period. The score was tied at 34-34 at halftime. Harbor Springs built another double digit lead and Grayling trailed 60-49 going into the fourth period. The Vikings mounted another comeback effort and pulled within two late in the game. Grayling had three shot attempts in the final seconds to either win or force overtime, but none went in.

The Vikings did not shoot

well from three-point range (2 for 18) or the free-throw line (12 for 28) in the two-point loss.

"There is a reason why we are losing right now, but I really think we made some big improvements during this game. Our team chemistry is starting to get better as well as our leadership on the floor. We need to improve our shot selection and decision making on offense."

Burrell had 21 points and nine rebounds for GHS. Dawson scored 18 points. McBride had 11 points. Tyler Powers finished with nine points and four assists.

The Vikings (2-3 overall, 0-2 league) will play at Elk Rapids on Thursday, Jan. 14.

## NOTICE OF SHOW CAUSE HEARING AND JUDICIAL FORECLOSURE HEARING for NON-PAYMENT OF PROPERTY TAXES

On March 1, 2009, real estate with unpaid 2007 and/or prior years property taxes was forfeited to the Crawford County Treasurer pursuant to the General Property Tax Act, Public Act 206 of 1893, PA 206, MCL 211.1 to 211.157, as amended.

The Crawford County Treasurer is acting as the Foreclosing Governmental Unit in proceedings to foreclose on properties for unpaid 2007 and/or prior property taxes.

There are two hearings scheduled to finalize the foreclosure process. This publication is intended to provide additional notice to parties of interest in these parcels as to the nature, time, and location of these hearings.

**A Show Cause Hearing** is scheduled for 10:00 A.M. January 19, 2010 at the Office of the County Treasurer, Crawford County Building, 200 W. Michigan Ave., Grayling, MI 49738.

Any person with an interest in the property forfeited to the County Treasurer may appear at the Show Cause Hearing and redeem the property or show cause why absolute title to that property should not vest in the Foreclosing Governmental Unit.

**A Judicial Foreclosure Hearing** is scheduled for 8:59 A.M. February 1, 2010 at the Crawford County Building, Circuit Court Room, 200 W. Michigan Ave., Grayling, MI 49738.

At this hearing the Foreclosing Governmental unit shall ask that the court enter a judgment foreclosing property as requested in the petition for foreclosure. A person claiming an interest in a parcel of property set forth in the petition for foreclosure, who desires to contest that petition, **must file written objections** with the clerk of the 46th Circuit Court, and serve those objections on the Crawford County Treasurer as the Foreclosing Governmental Unit. The Docket number for the Petition is 09-7914-CZ.

If you are a person with an interest in property being foreclosed:

- You have the right to redeem this parcel from the foreclosure process by payment of all forfeited unpaid taxes, interest, penalties, and fees prior to the expiration of the redemption period. You should contact the Crawford County Treasurer for the amount required to redeem.
- You may lose your interest in the property as a result of the foreclosure proceeding.
- The title to the property shall vest absolutely in the Foreclosing Governmental Unit unless all forfeited unpaid delinquent taxes, interest, penalties and fees are paid by March 31, 2010.

### PLEASE NOTE:

The following list represents parties that appear to have title, lien, or other apparent rights to the parcels being foreclosed by the Foreclosing Governmental Unit.

**This notice is required to be given by law**, even if the party no longer claims or desires an interest if it appears they hold any **undischarged, apparent, or potential** title or lien right to the property listed.

A listing of a party or person does NOT necessarily indicate that they are the owner of a parcel, or that they are liable for the property taxes.

This list is NOT an offering of property for sale. These parcels are NOT being sold, auctioned, or otherwise made available by virtue of this notice.

There is **no procedure** for purchasing these parcels from the Foreclosing Governmental Unit at this point in the foreclosure proceedings. Those parcels that are foreclosed and not redeemed **may** become available at **public auction** after July of 2010. **These parcels remain the property of the current owner** until redemption rights have expired. **No party or person should make any attempt to inspect or enter upon these parcels** assuming them to be for sale. This may constitute trespassing and subject the offender to criminal prosecution. The street address of the parcels listed is based upon local records and is not guaranteed to be the actual location of the property.

The amount due listed indicates the balance which was due as of March 1, 2009. The **current amount** required to redeem **must be obtained from the Crawford County Treasurer**, as additional penalties, fees, and interest have accrued since forfeiture.
